Title and abstract of the doctoral thesis

« International Arbitration in International Construction Contracts »

« *Le recours à l'arbitrage dans le contentieux de contrats internationaux de construction* ».

Presented and approved with *Très honorable avec félicitations du jury*, "Very Honorable, with Committee Praise", the highest academic distinction awarded in the French academic universities system. Supervisor: Professor Jean-Yves DE CARA.

The thesis of 778 pages, deals with managing disputes pertaining to international construction contracts. The Thesis aims to identify, analyze, and mitigated all sorts of risks in the international construction projects and to settle their disputes by International Commercial Arbitration and International Investment Arbitration.
