Specialization and domain of interest

Title and abstract of the doctoral thesis (within 150 words)
<p>The Regulations on the Discretion of a Criminal Judge</p> <p>The basis of judicial conviction is the conscience of the judge. The source of the provisions to which he or she applies in which arrived in his or her impressions of the case and the circumstances of evidence, that sense of conviction automatically consists of the conscience of the judge under the influence of the circumstances of each case and the evidence without being subject to constant and specific reasons already imposed by the legislator.</p> <p>The subject judge is not limited to drawing on the factual truth and the circumstances surrounding it on the direct evidence only, but it can be used in the rules of deduction and conclusion, and by balancing the introductions and the consequences thereof, provided that this does not result in the creation of a new fact or an initiator's guide In the papers of the suit, which can be described as a judgment of the personal judge.</p>
