24th September 2018

Dear HE Dr Adel Tweisi, you (xceen on till les

I am writing to alert you to the opening of applications for the 2018/2019 Chevening Scholarships Programme and inform you that we would welcome applications from candidates from all over Jordan who have the potential to be a future leader. We would be particularly grateful for the Jordanian government's assistance in spreading information about the scholarship opportunities to governorates across the country.

We normally send about 25-30 scholars a year from Jördan, and the three year-groups with which I have been involved have been the most extraordinary gifted groups of young Jordanians, whom I am very confident will, with time, go on to lead this country in their various fields.

Chevening Scholarships are the UK government's global scholarship programme, funded by the Foreign and Commonwealth Office (FCO) and partner organisations. The Scholarships offer the opportunity to study for a one-year Master's degree at any of the UK's leading universities, and are awarded to outstanding established or emerging leaders across a wide range of fields including:

- Economics (including development, energy)
- Politics (public policy, international relations, strategic studies, democracy, security)
- Law (human rights, humanitarian)
- 4) Business Development (especially in the IT/start-up area)
- 5) Earth Sciences (geology, environmental protection, renewable energy Studies)
- 6) Refugee Studies (conflict studies, psychology)

The programme provides a unique opportunity for leaders of the future to build a global network of continuing professional significance and to establish social, cultural, academic or commercial partnerships with the UK.

Potential applicants can be directed to www.chevening.org for more information about the scholarship and how to apply. When applying, applicants need to provide two references to be provided in a letter format and written in English, a valid passport/national ID card, university transcripts (undergraduate, postgraduate), and three different.UK Master's course choices before November 6th. They also have to have two years' work experience.

Once again this year, two additional Chevening affiliated schemes will be available to Jordanians. First, the Clore Leadership Programme, which is directed towards exceptional leaders from a range of specialisms across the cultural and creative sectors.

The second is the Chevening/Oxford Centre for Islamic Studies Fellowship that aims to support mid-career professionals who are dedicated to the promotion of academic activities that encourage a more informed understanding of the culture and civilisation of Islam and contemporary Muslim societies.

Thank you in advance for your co-operation. If you require any further information, please contact Aya Alayan, the Chevening Officer in the Embassy. Her email address is aya.alayan@fco.gov.uk

Yours sincerely

towers Dawy

Edward Oakden HM Ambassador
